

First screen –

The screenshot shows the Laravel homepage in a web browser. The browser's address bar displays '127.0.0.1:8000'. The page features the Laravel logo at the top left. Below the logo, there are four main sections: 'Documentation', 'Laracasts', 'Laravel News', and 'Vibrant Ecosystem'. Each section contains a brief description of the resource. At the bottom of the page, there are links for 'Shop' and 'Sponsor', and the version information 'Laravel v8.63.0 (PHP v7.3.30)'.

Documentation

Laravel has wonderful, thorough documentation covering every aspect of the framework. Whether you are new to the framework or have previous experience with Laravel, we recommend reading all of the documentation from beginning to end.

Laracasts

Laracasts offers thousands of video tutorials on Laravel, PHP, and JavaScript development. Check them out, see for yourself, and massively level up your development skills in the process.

Laravel News

Laravel News is a community driven portal and newsletter aggregating all of the latest and most important news in the Laravel ecosystem, including new package releases and tutorials.

Vibrant Ecosystem

Laravel's robust library of first-party tools and libraries, such as [Forge](#), [Vapor](#), [Nova](#), and [Envoyer](#) help you take your projects to the next level. Pair them with powerful open source libraries like [Cashier](#), [Dusk](#), [Echo](#), [Horizon](#), [Sanctum](#), [Telescope](#), and more.

[Shop](#) [Sponsor](#)
